

## Chemical Equivalency Certificate

As part of the continued integration into the DuPont Specialty Products USA, LLC, Inc, DuPont Performance Building Solutions is rebranding some of its product names. This certificate is provided to inform the purchaser of the following products continued quality and equivalency to the legacy brand product listed below for the purpose of use at the purchaser's location.

**ROHM AND HAAS CO. MOR-AD™ LAMINATING ADHESIVE &  
DOW MOR-AD™ LAMINATING ADHESIVE &  
DUPONT™ MOR-AD™ LAMINATING ADHESIVE**

*are equivalent to:*

**DUPONT™ BETAFUSE™ LAMINATING ADHESIVE**

With regard to our rebranding activities, there are no changes to manufacturing facilities, processes, test methods, or equipment used for the Betafuse™ products at this time. In the event of any changes to the foregoing, DuPont will follow its standard change management and notification process.

Please refer to the product details pages on [DuPont.com/Building/Products.html](https://www.dupont.com/building/products.html) for a general description of product characteristics and sales specifications.

We remind you that customers must determine the suitability of our products for use in their applications and formulations. This information should not be used in substitution for customer tests to ensure that the products are safe, effective and fully satisfactory for the intended end-use.

If you have any questions, please contact us.
