

Chemical Equivalency Certificate

As a part of Dow Building Solutions' integration into DuPont de Nemours Inc., Dow Building Solutions is rebranding some of its product names. This certificate is provided to inform the purchaser of the following product's continued quality and equivalency to the legacy brand product listed below for the purpose of use at the purchaser's location.

DOW THERMAX™ BRAND POLYISOCYANURATE FOAM INSULATION

is equivalent to:

DUPONT™ THERMAX™ BRAND POLYISOCYANURATE FOAM INSULATION

With regard to our rebranding activities, there are no changes to manufacturing facilities, processes, test methods, or equipment used for the THERMAX™ products at this time. In the event of any changes to the foregoing, DuPont will follow its standard change management and notification process.

Please refer to the product details pages on DuPont.com/Building/Products.html for a general description of product characteristics and sales specifications.

We remind you that customers must determine the suitability of our products for use in their applications and formulations. This information should not be used in substitution for customer tests to ensure that the products are safe, effective and fully satisfactory for the intended end-use.

If you have any questions, please contact us.
